

For beautiful hands and velvety soft feet: New manicure and pedicure tools from Beurer

Ulm, 31 August 2021 – Beautiful nails and well-groomed feet are simply a must in summer! With the new MP 59 Wet & Dry portable pedicure device and the MP 44 Manicure/pedicure set, a professional beauty routine can also be achieved at home. The result is healthy, strong and tidy nails and velvety-soft feet that you can be proud of.

High-quality materials, precise application and easy to use– the beauty products from Beurer make it possible to achieve nail care results similar to those of a professional nail studio.

MP 59 Wet & Dry: For noticeably beautiful feet

The new MP 59 Wet & Dry portable pedicure device is suitable for the delicate skin on the feet. It effortlessly removes bothersome hard skin, calluses and rough spots. The waterproof device can be used on wet or dry skin.

Asymmetric abrasive roller allows for targeted use or use on large areas. The MP 59 Wet & Dry has two speed settings and a fine and a coarse attachment with diamond coating. A high-performance lithium-ion battery enables an operating time of three hours and wireless use. Within three hours the portable pedicure device can be easily charged for the next you use it using the space-saving charger with contact charging. The battery level indicator, travel lock and automatic switch-off after 20 minutes are further useful features.

MP 44: Manicure/pedicure set including nail care set

The new MP 44 Manicure/pedicure set from Beurer offers everything you need for comprehensive nail care. In fresh pink and with a modern Magic LED display, using the set will become the highlight of your beauty routine. The effective power supply unit is equipped with seven high-quality attachments made of durable sapphire coating or polishing felt. Thanks to its ergonomic design, the MP 44 sits securely in the hand and is easy and convenient to use on fingernails and toenails. The practical LED light and protective cap for nail dust offer additional convenience during use. The

speed is infinitely variable and the device features adjustable clockwise/anti-clockwise rotation. All attachments can then be easily stored in the storage bag. For beautiful hands and feet on the go, a nail care set consisting of nail clippers, nail scissors, cuticle remover, cuticle fork for removing flaking skin, tweezers and nail file is included in delivery.

About Beurer

Beurer was founded in 1919 in Ulm and is synonymous with health and well-being. Today, the long-standing company leads the way in several product fields in this segment; the company is the market leader in Europe in the area of flexible heating and a market leader in Germany for blood pressure monitors and massage products. Beurer is also one of the leading suppliers of personal bathroom scales in Europe. This portfolio, which is under constant development in all areas, offers products for use in the home. It includes: personal bathroom scales, kitchen scales, luggage scales, air purifiers, air dehumidifiers, air washers, thermo hygrometers, aroma diffusers, blood pressure monitors, blood glucose monitors, mobile ECG devices, hearing amplifiers, pulse oximeters, nebulisers, clinical thermometers, a sleep sensor, wake up lights, a snore stopper, daylight therapy lamps, infrared lamps, TENS/EMS devices, massage products (foot massage, Shiatsu massage, massage chairs, massage cushions, fascia massage, leg compression massager), relaxation aids, hair removal devices (classic, IPL, laser), FaceCare and HairCare products, a cellulite releaZer, cosmetics mirrors, manicure/pedicure sets, a BabyCare line, ovulation thermometers, activity sensors and heart rate monitors. USB ports and *Bluetooth*[®] make it possible for a growing number of Connect products to be linked to the expanding Beurer app world and/or software. The family-run company operates a global distribution network in more than 100 countries and currently has a workforce of around 1,000 people. You can find more information at www.beurer.com.
