

Beurer scales named TEST WINNER and PRICE-PERFORMANCE CHAMPION

Ulm, 13 December 2023 – In two comparative tests conducted by ETM TESTMAGAZIN, six personal scales and six body analyser scales were tested in issue 12/2023.

In the personal scales category, the magazine named the GS 400 Signature Line glass bathroom scale the TEST WINNER and awarded it the test grade "VERY GOOD". The BF 915 Signature Line diagnostic bathroom scale and the Beurer BF 500 Super Black Edition diagnostic bathroom scale were also awarded "VERY GOOD" in the comparison of body analyser scales, with the latter also being named PRICE-PERFORMANCE CHAMPION in its category.

In both comparative tests, the products were evaluated in terms of performance, handling, material processing and safety.

The ETM TEST WINNER in the personal scales category is the **Beurer GS 400 Signature Line Glass Bathroom Scale**. Scoring 93.3%, it received the test grade "VERY GOOD". This glass bathroom scale with contemporary design features an advanced, illuminated XL display for optimum readability. Other technical details:

- Large standing surface made of 8 mm white glass
- Extra-high weight capacity of up to 200 kg
- Switch-on technology: Quick start
- Automatic switch-off
- Overload indicator

The ETM PRICE-PERFORMANCE CHAMPION in the body analyser scales category was the **Beurer BF 500 Super Black Edition Diagnostic Bathroom Scale**, which also received the test rating "VERY GOOD" with a score of 94.1%.

Thanks to *Bluetooth*® transmission, this stylish scale facilitates quick and easy access to personal measured values. The data is automatically transferred and managed in the free "beurer HealthManager Pro" app. But thanks to the its buttons, the scale can also be used without an app connection.
