## Three Beurer Diagnostic Bathroom Scales rated “GOOD” at Stiftung Warentest

Ulm, 30 September 2024 – Stiftung Warentest compared 17 body fat scales in the current issue of 10/2024, 11 of which have an app. As part of this test, three Beurer body analysis scales were tested with each achieving a “GOOD” result.

Stiftung Warentest is an independent German consumer organisation founded in 1964. It is known for its comparative testing of products and services that in turn provide well-founded, objective information to consumers.

The **best smart model with an app** is the Beurer [BF 500 Super Black Edition](#) Diagnostic Bathroom Scale, and according to Stiftung Warentest, it is one of the strongest performers in body analysis, achieving a “GOOD” score (2.2).

Main features:

- Magic LED: Display appears only during measurement
- Easy-to-read digit size
- Free “beurer HealthManager Pro” app

The [BF 1000 Super Precision](#) Diagnostic Bathroom Scale was also rated GOOD (2.4) in the "with app" category. The scale boasts the following features:

- Incl. cross measurement with 8 electrodes for precise monitoring of the different areas of the body
- Detailed full-body analysis with app connection
- Free “beurer HealthManager Pro” app

In the "Scales without app" category, the [BF 400 SignatureLine](#) Diagnostic Bathroom Scale won an outstanding second place with a rating of “GOOD” (2.1). Special features of the diagnostic bathroom scale:

- Illuminated XL display that is extremely easy to read
- Large standing surface made of 8-mm-thick safety glass
- Especially high weight capacity of up to 200 kg

## About Beurer

Beurer was founded in 1919 in Ulm and is synonymous with health and well-being. Today, the family-run company leads the way in several areas of this segment. Originally a manufacturer of heat pads and heated underblankets, the company has grown into a full-range supplier offering more than 500 products. Beurer offers various products for use at home in the categories of health, wellbeing, beauty, personal care, home, fitness and baby, including blood pressure and blood glucose monitors, clinical thermometers, pulse oximeters, nebulisers, hearing amplifiers, daylight therapy lamps, insect bite healers, a mobile ECG device and an emergency wristband, as well as products for pain therapy and women's health. The range also covers the areas of flexible heating, weight & diagnosis, air & aroma, massage & shiatsu and sleep & rest. What's more, Beurer offers various beauty products in the categories of FaceCare, BodyCare, HairCare, hair removal, manicure & pedicure, as well as a men's grooming range and electric toothbrushes in the personal care category. The company offers a range of fitness products in its Antelope by beurer and Physioline product groups, along with numerous abdominal muscle trainers. The baby category contains special products adapted to the needs of children, babies and their parents. With its "Connect" product group, the health specialist offers a wide range of apps that can be combined with Beurer products and make everyday life easier. Around 1,700 employees worldwide and a global distribution network spanning more than 100 countries ensure the company's ever-growing success.
