The **FM 120 foot massager** with powerful Shiatsu and air pressure massage really brings tired feet back to life. With the cover on, the massager quickly transforms into a chic footstool that suits any interior style.

HomeLine

Well-being and style in perfect harmony – for a wonderful home.

The LA 35 aroma diffuser with stylish fabric covering gently fills your home with pleasant fragrance – creating a welcoming atmosphere.

Modern, stylish and hygienic – the ideal air humidifier for your home.

Relative humidity of 40 to 60% is essential for a comfortable and healthy home. The air in many homes measures below this recommended level, especially when central heating is in use or during a dry summer. The Beurer LB 200 and LB 300 Plus air humidifiers keep your rooms humidified in a natural way.

Cold evaporation technology ensures hygienic humidification of rooms up to 30 m² with the LB 200, and rooms up to 45 m² with the LB 300 Plus air humidifier**.

For a comfortable indoor climate – day and night!

* Lower energy consumption compared to devices with hot water technology
 ** Calculation according to AHAM HU-1-2016 and based on the air humidification rate; tested in accordance with GB/T 23332-2018 in an independent laboratory. Starting temperature of 23±2°C and relative humidity of 30±2%.
